

# INDIAN HILL HIGH SCHOOL

## CORE VALUES

### **We will create an environment where strong, healthy relationships can flourish by:**

- ✓ Communicating with students, faculty, parents and community members on an ongoing basis
- ✓ Improving social awareness and unity through extra-curricular programs
- ✓ Acknowledging and appreciating individual differences and abilities by fostering one-on-one interactions

### **We will promote a culture that fosters integrity and accountability by:**

- ✓ Encouraging and valuing learning
- ✓ Embracing and adhering to the school's code of conduct
- ✓ Cultivating an environment where students will:
  - take ownership and pride in their education
  - realize the importance of character development
  - honor and respect one another

### **We will develop a lifelong passion and curiosity for learning by:**

- ✓ Modeling the continuous pursuit of learning
- ✓ Providing exposure to opportunities that develop skills and lead to expertise
- ✓ Recognizing and celebrating each student's pursuit of knowledge and personal fulfillment
- ✓ Assisting students in identifying passions through:
  - introspective self-assessment
  - varied experiences
  - providing student-specific feedback

### **We will excel as collaborative learners who strive to reach their full potential as responsible, contributing citizens by:**

- ✓ Supporting extra-curricular activities (interests, endeavors, initiatives, enterprises) that connect students to one another and the larger community
- ✓ Developing cross-curricular instruction and relationships
- ✓ Implementing proactive intervention strategies
- ✓ Continuing to work in Professional Learning Communities

### **Adopt a global perspective suitable for an ever-changing world by:**

- ✓ Utilizing technology as a tool for experiential learning
- ✓ Encouraging international students to share culture experiences
- ✓ Creating an intrinsic sense of compassion through community service and outreach programs that encourage students to go beyond minimum requirements
